Randall,

Attached are the three items John requested in our call yesterday morning.

1. Summary of water management at EMWMF and proposed EMDF
2. Excerpts from the EMDF Proposed Plan that include all mention of water treatment/water discharge
3. Schedule for approval of the EMDF ROD

Thanks to Carl and Cathy for pulling all this together. Please let me know if any additional information is needed or if you need revisions. If you want me to send this to John and Carol, let me know.

Thanks,
Glenn
